

## **SET-1 PRODUCTS PURCHASE ORDER PROCESS**

- The commercial companies are to send us request in written form with indication of end user details.
- Any equipment within the restricted list is to be sold only for official state end users.
- Accordingly SET-1 provides the commercial offer and the draft of the contract.
- The official letter from the end user informing about the commercial company (buyer) and the list of ordered products is to be provided (via mail or as a scan copy).
- After the contract signing by both parties it is sent for approval by Russian state officials (FSB - Federal Security Service of the Russian Federation). Please note the contract becomes valid only after getting FSB approval.
- The originals of signed contract and the end user letter are to be sent via mail.
- Based on the contract and FSB approval SET-1 is to obtain export license from the Ministry of Industry and Trade of the Russian Federation.
- Then the contract execution is to be provided according to the terms (payment, delivery) stipulated in it.
